

# SPONSORSHIP OPPORTUNITIES

## Seudah Shlishit

The *ruach* of the OCP comes out every Shabbat during *Seudah Shlishit*, when students join together to end the day with song and *Divrei Torah*. Camp-style "slow shira" is accompanied by a light meal. *Seudah Shlishit* is a meaningful way to end each and every Shabbat, leaving students with feelings of warmth and *achdut* that last them throughout the week.

*Single Week - \$180*

## Sunday Night Learning (SNL)

SNL continues to offer the most vibrant Torah learning atmosphere on Penn's campus. Each week, over one hundred students come together to shmooze and enjoy a delicious dinner, courtesy of our generous sponsors. Afterward, everyone proceeds to the *beit midrash* for an hour of paired Torah study. Sunday Night Learning is usually sponsored in memory of a loved one, for whom a dedication is announced during SNL.

*Single Week - \$540*

## Scholar in Residence (SIR)

As part of our educational programming, the Scholar in Residence Committee invites honored rabbis and prestigious scholars to address our community throughout the year, both on weekdays and on Shabbat. We are more than happy to work with sponsors in order to bring the most dynamic and stimulating speakers to Penn, either for a weeknight or Shabbat.

*Weekday - \$360; Shabbat - \$3000*

## Community Shabbat Luncheon

Each semester, the OCP hosts a catered Shabbat luncheon for the entire community, providing everyone with a time to gather and socialize over delicious food, good conversation, and spirited *zemirot* – a highlight of the semester for many students. This program ensures that everyone in the community has a place for Shabbat lunch and feels included and welcomed.

*Per Semester - \$900*

## University City Eruv

The University City *Eruv* serves the OCP and wider campus community and is maintained entirely by students and student and parent donations. Members of the community check the eruv, which spans fifteen square blocks and includes Penn's campus, Drexel's campus, several local hospitals, and off-campus housing.

*Recommended Donation - \$54*

Donations and event sponsorships can be made in memory of a loved one or in honor of a special event. Partial sponsorships are always welcome. Additionally, gifts can be made in support of social events, books for the *beit midrash* (re-stocked yearly), *Mishmar*, *Chessed*, and any of the other programming that makes the OCP the most vibrant Orthodox Jewish community on any college campus.
